

**YELLOW SPRINGS-FAIRFIELD ROAD IMPROVEMENTS**  
(SPANGLER RD TO EAST CORP LINE)

**PROJECT DESCRIPTION:**

Improvements will be made over 1.00 MI (5,267 LF) of roadway from Spangler Road to East Corporation Line. This project will have the following improvements:

1. A new separated multi-use path extending from Spangler Road to the East Corp Line
2. All intersections will be upgraded with ADA compliant curb ramps
3. New curb and gutter on both sides of the roadway
4. Improvements to the existing storm water system in the corridor
5. Full depth pavement repairs where needed
6. Milling and asphalt resurfacing the entire length of the project
7. Left turn lanes added at Black Lane intersection
8. New thermoplastic pavement striping
9. Pedestrian crossings at Roehner Drive, Astoria Boulevard, Black Lane, and Rising Hill Drive with Rectangular Rapid Flashing Beacon signs

A public Meeting will be held on October 30, 2018 from 6–8 pm at the Bath Township building located at 1006 Yellow Springs Fairfield Rd, Fairborn, OH 45324. The City will be present with the Design Engineer to answer questions and concerns and receive feedback from the public regarding the project.
